

Harcourt (VIC) Bushfire 2026

Outline map of the 2026 bushfire event surrounding the town of Harcourt in Victoria Australia, showing burn area outlines along with major road network and town area outlines for context. inset maps included to indicate the location within Australia and Victoria.

Data Sources:

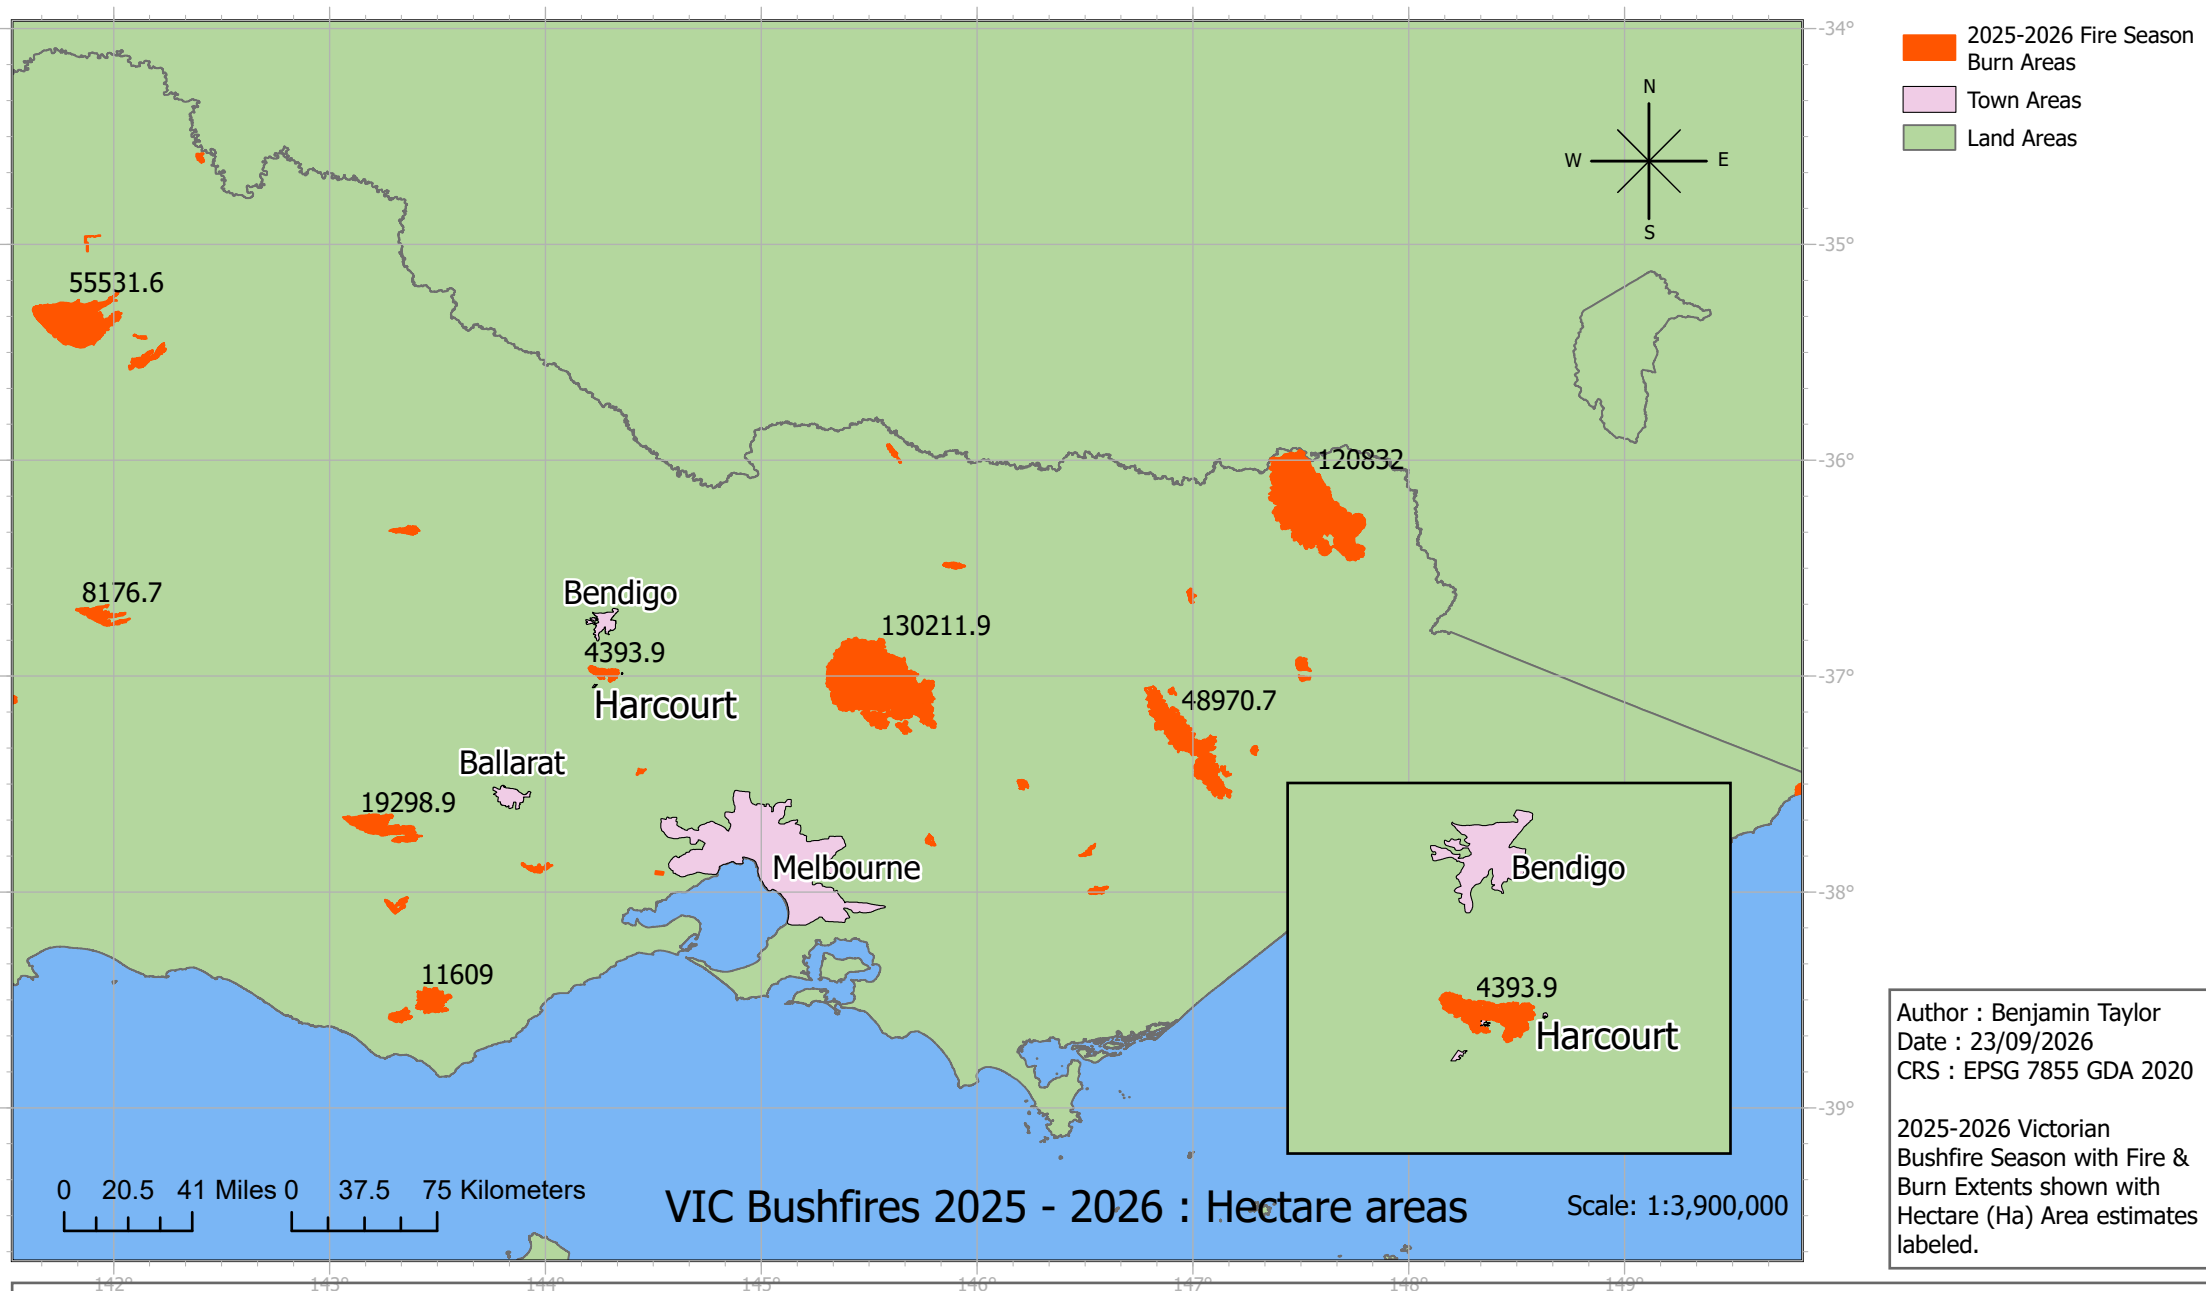

State Boundaries : Australian Bureau of Statistics - abs.gov.au/statistics/standards/australian-statistical-geography-standard-asgs/edition-3-july-2021-june-2026/access-and-downloads/digital-boundary-files

Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line

Burn Area Outline : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

Town Areas : Digitized from satellite imaging - Google Maps [Satellite imagery], Google, Alphabet inc

Victoria Bushfires 2025 - 2026

2025-2026 Victorian Bushfire Season with Fire & Burn Extents shown with Hectare (Ha) Area estimates labeled.

Note: no bushfire events shown within NSW on this map, however this does not mean there were none present during 2025-2026 bushfire season in NSW

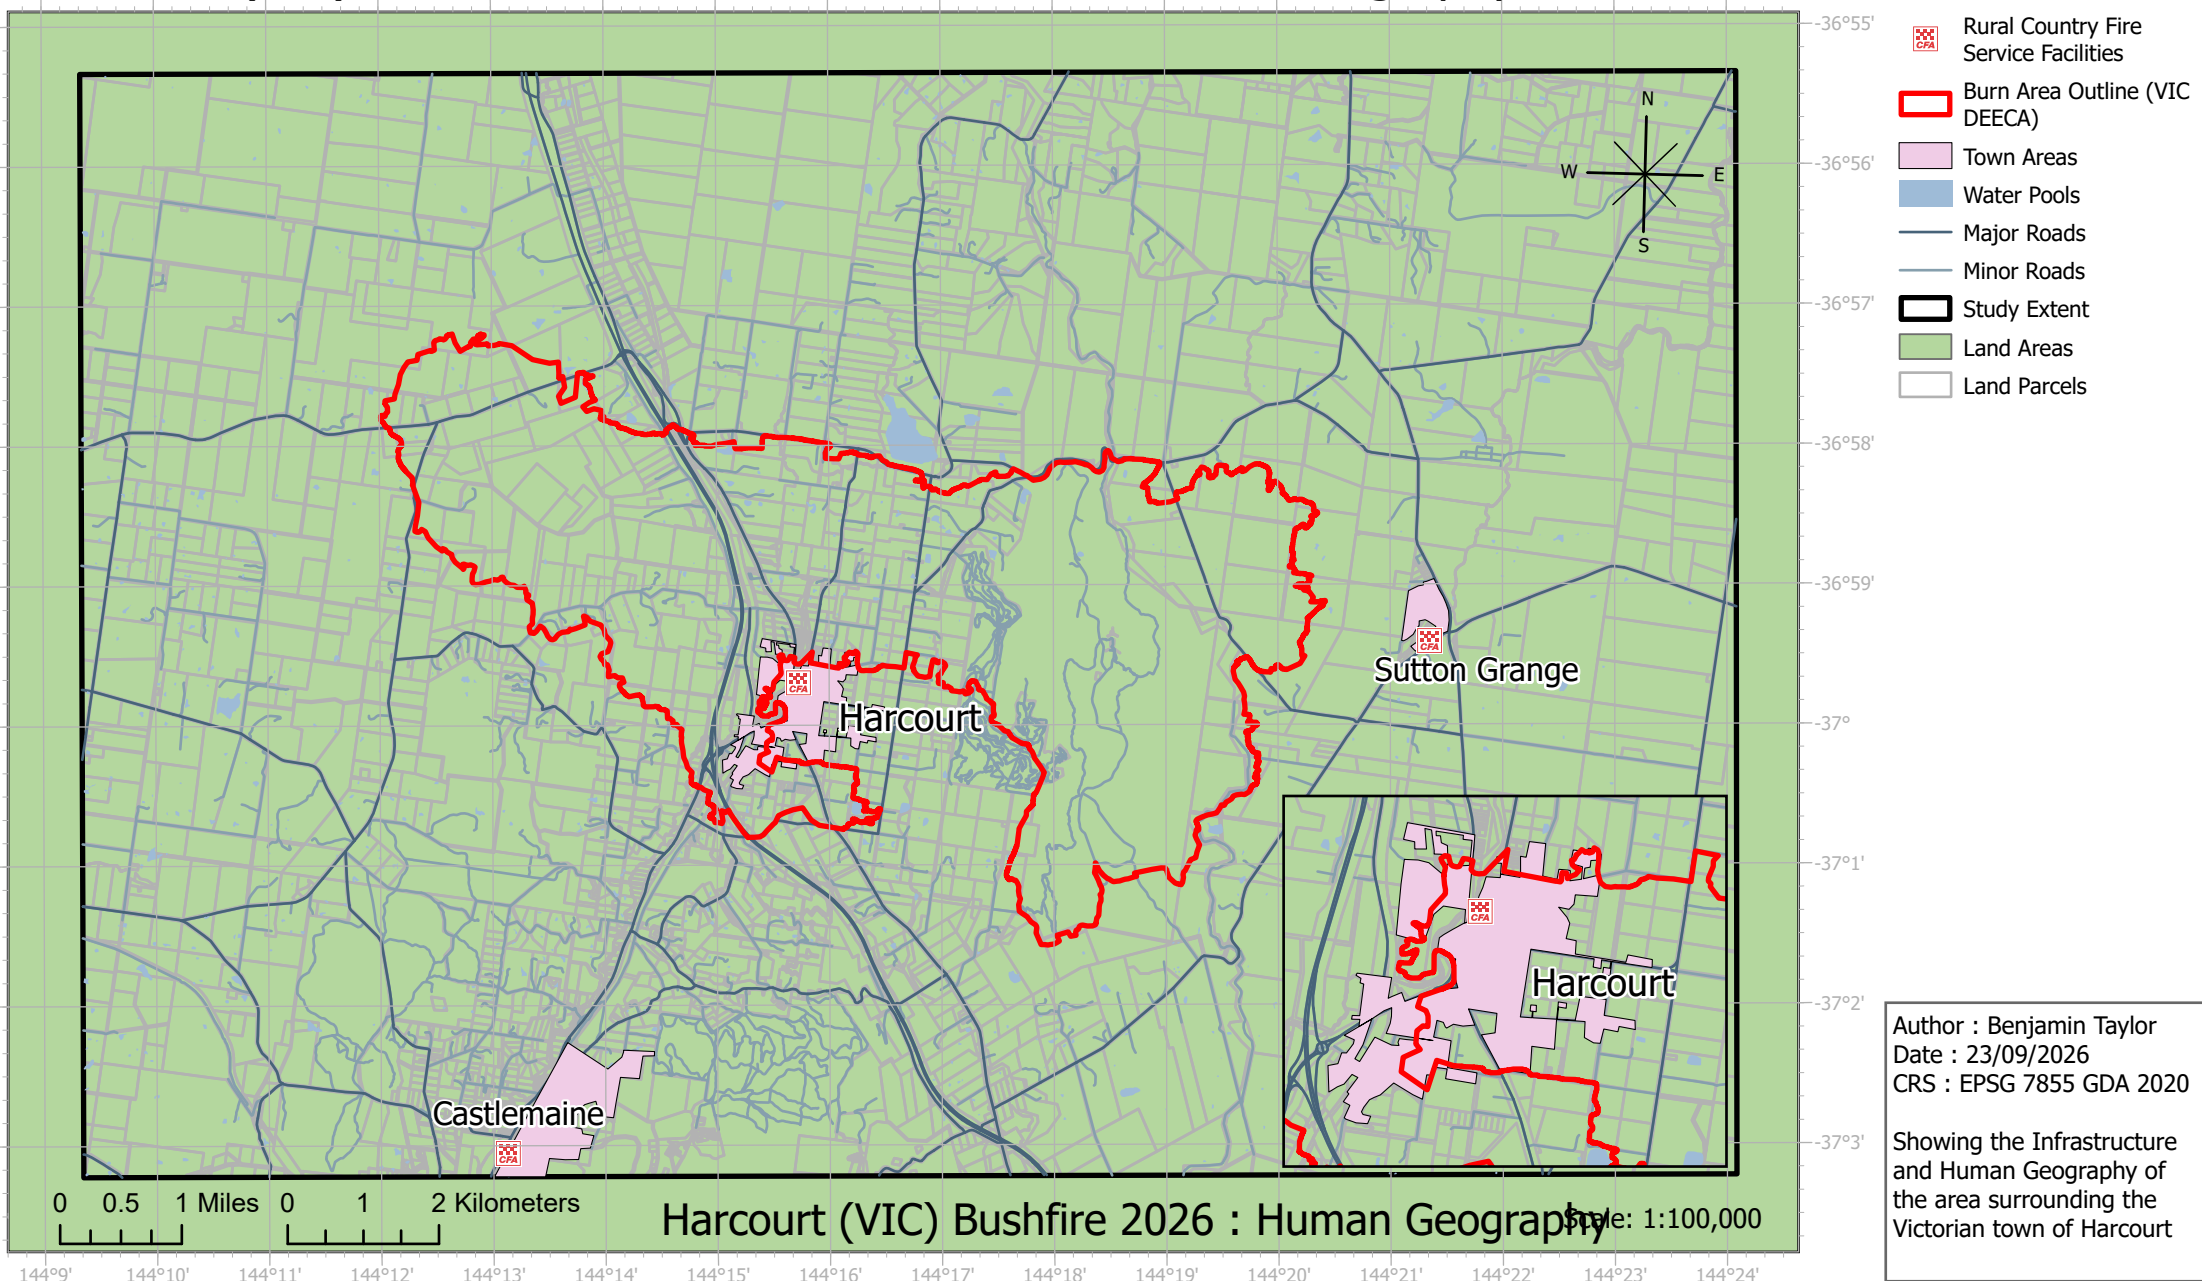

Data sources:

State Boundaries : Australian Bureau of Statistics - abs.gov.au/statistics/standards/australian-statistical-geography-standard-asgs/edition-3-july-2021-june-2026/access-and-downloads/digital-boundary-files

Fire & Burn Extents : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

Town Areas : Digitized from satellite imaging - Google Maps [Satellite imagery], Google, Alphabet inc

Harcourt (VIC) Bushfire 2026 : Infrastructure and Human Geography

Showing the Infrastructure and Human Geography of the area surrounding the Victorian town of Harcourt that was impacted by a bushfire in 2026

Data Sources

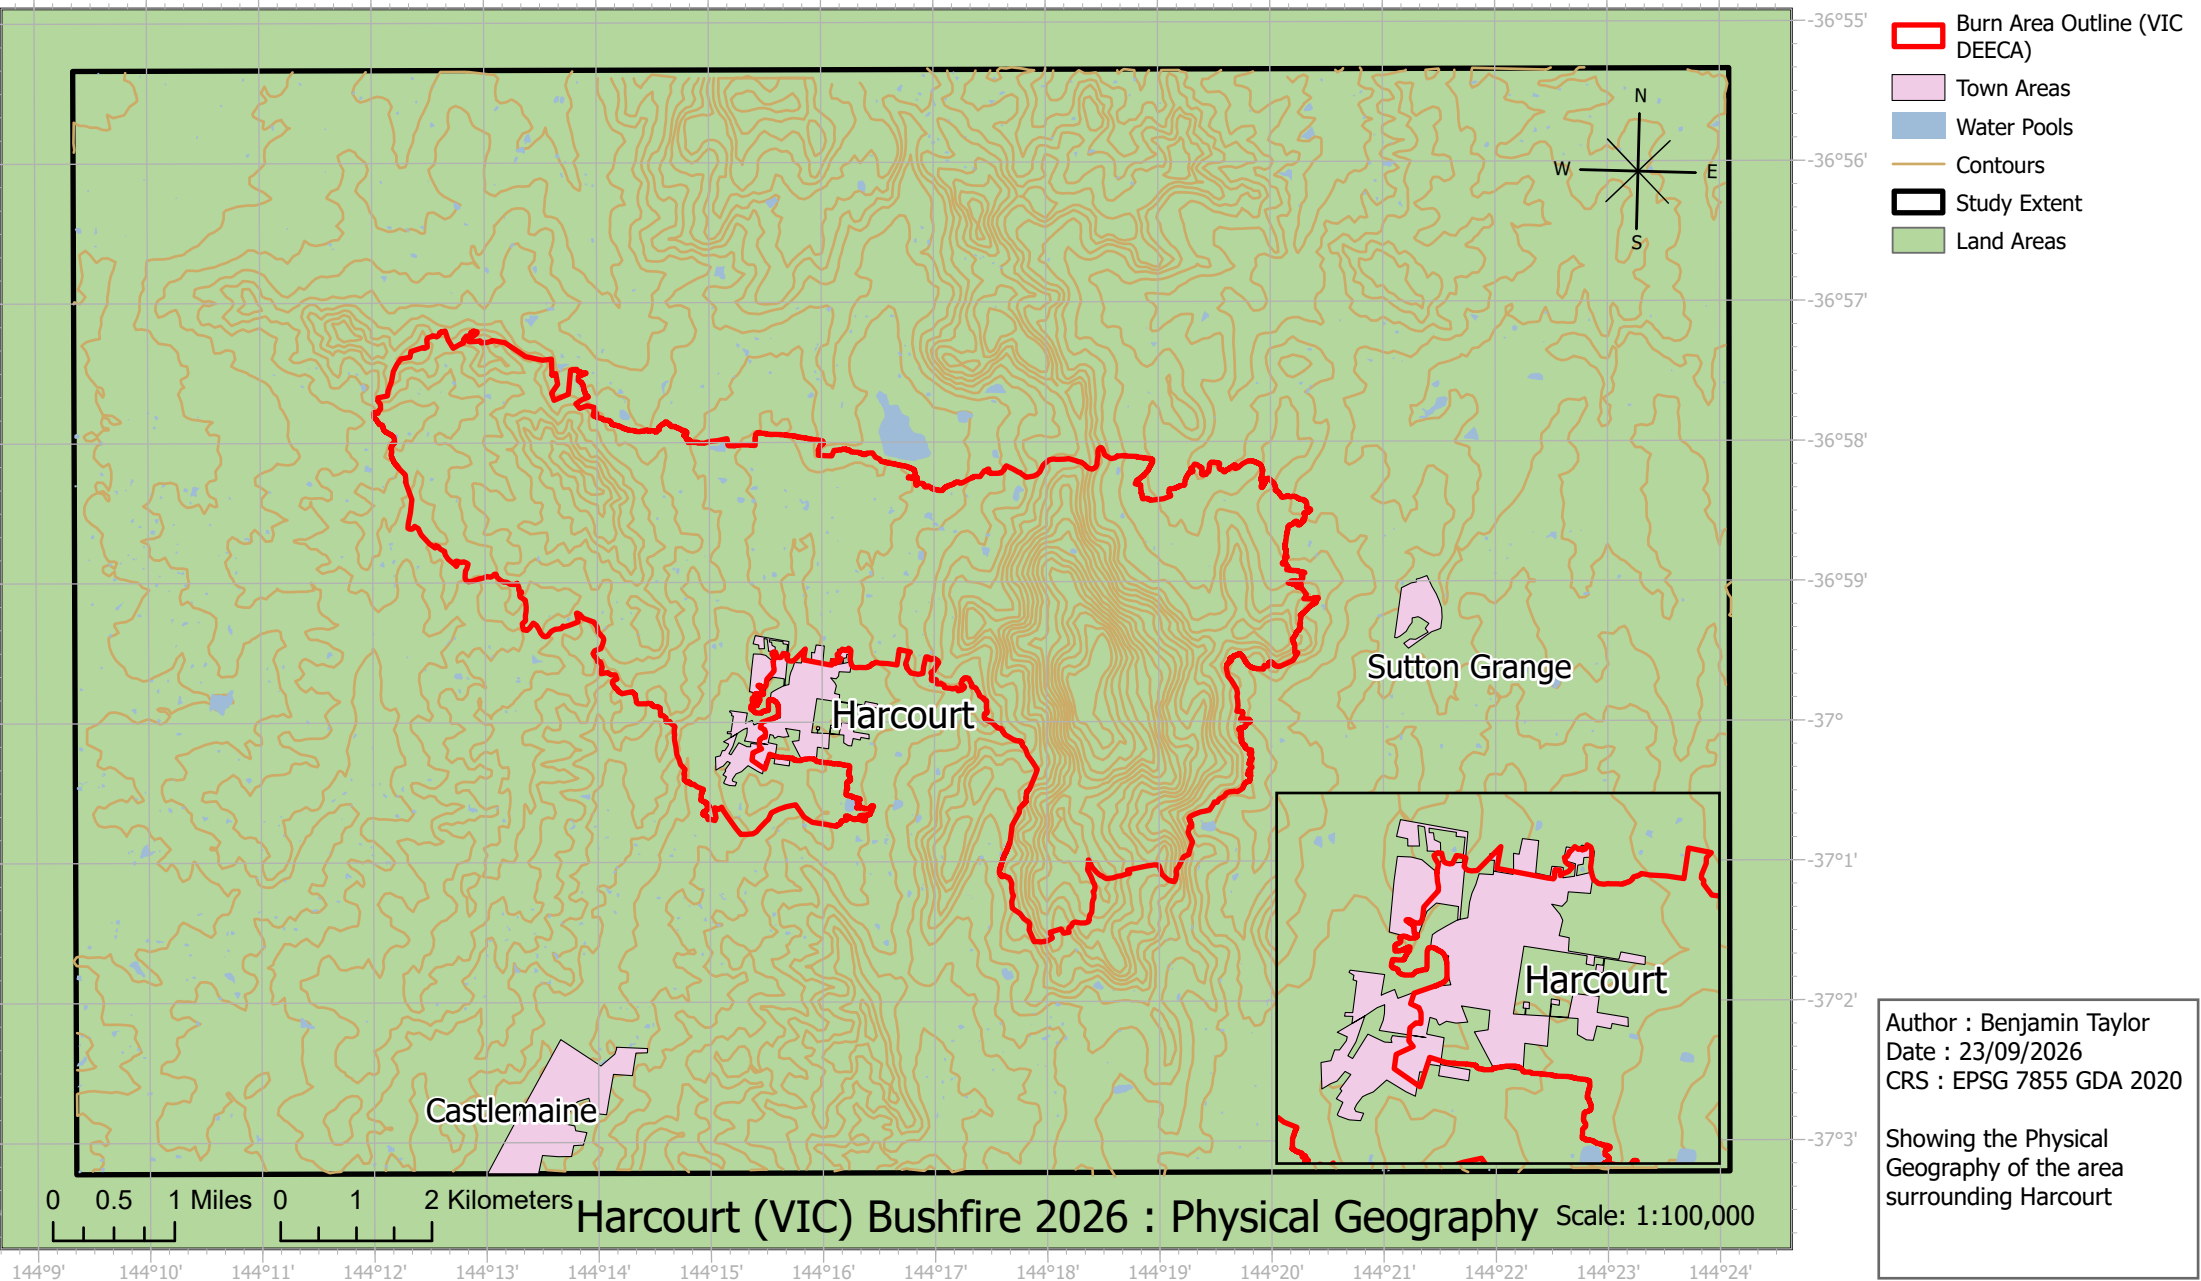

Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Water Pools : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Burn Area Outline : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

Harcourt (VIC) Bushfire 2026 : Physical Geography

Showing the Physical Geography of the area surrounding the victorian town of Harcourt that was impacted by a bushfire in 2026

Data Sources:

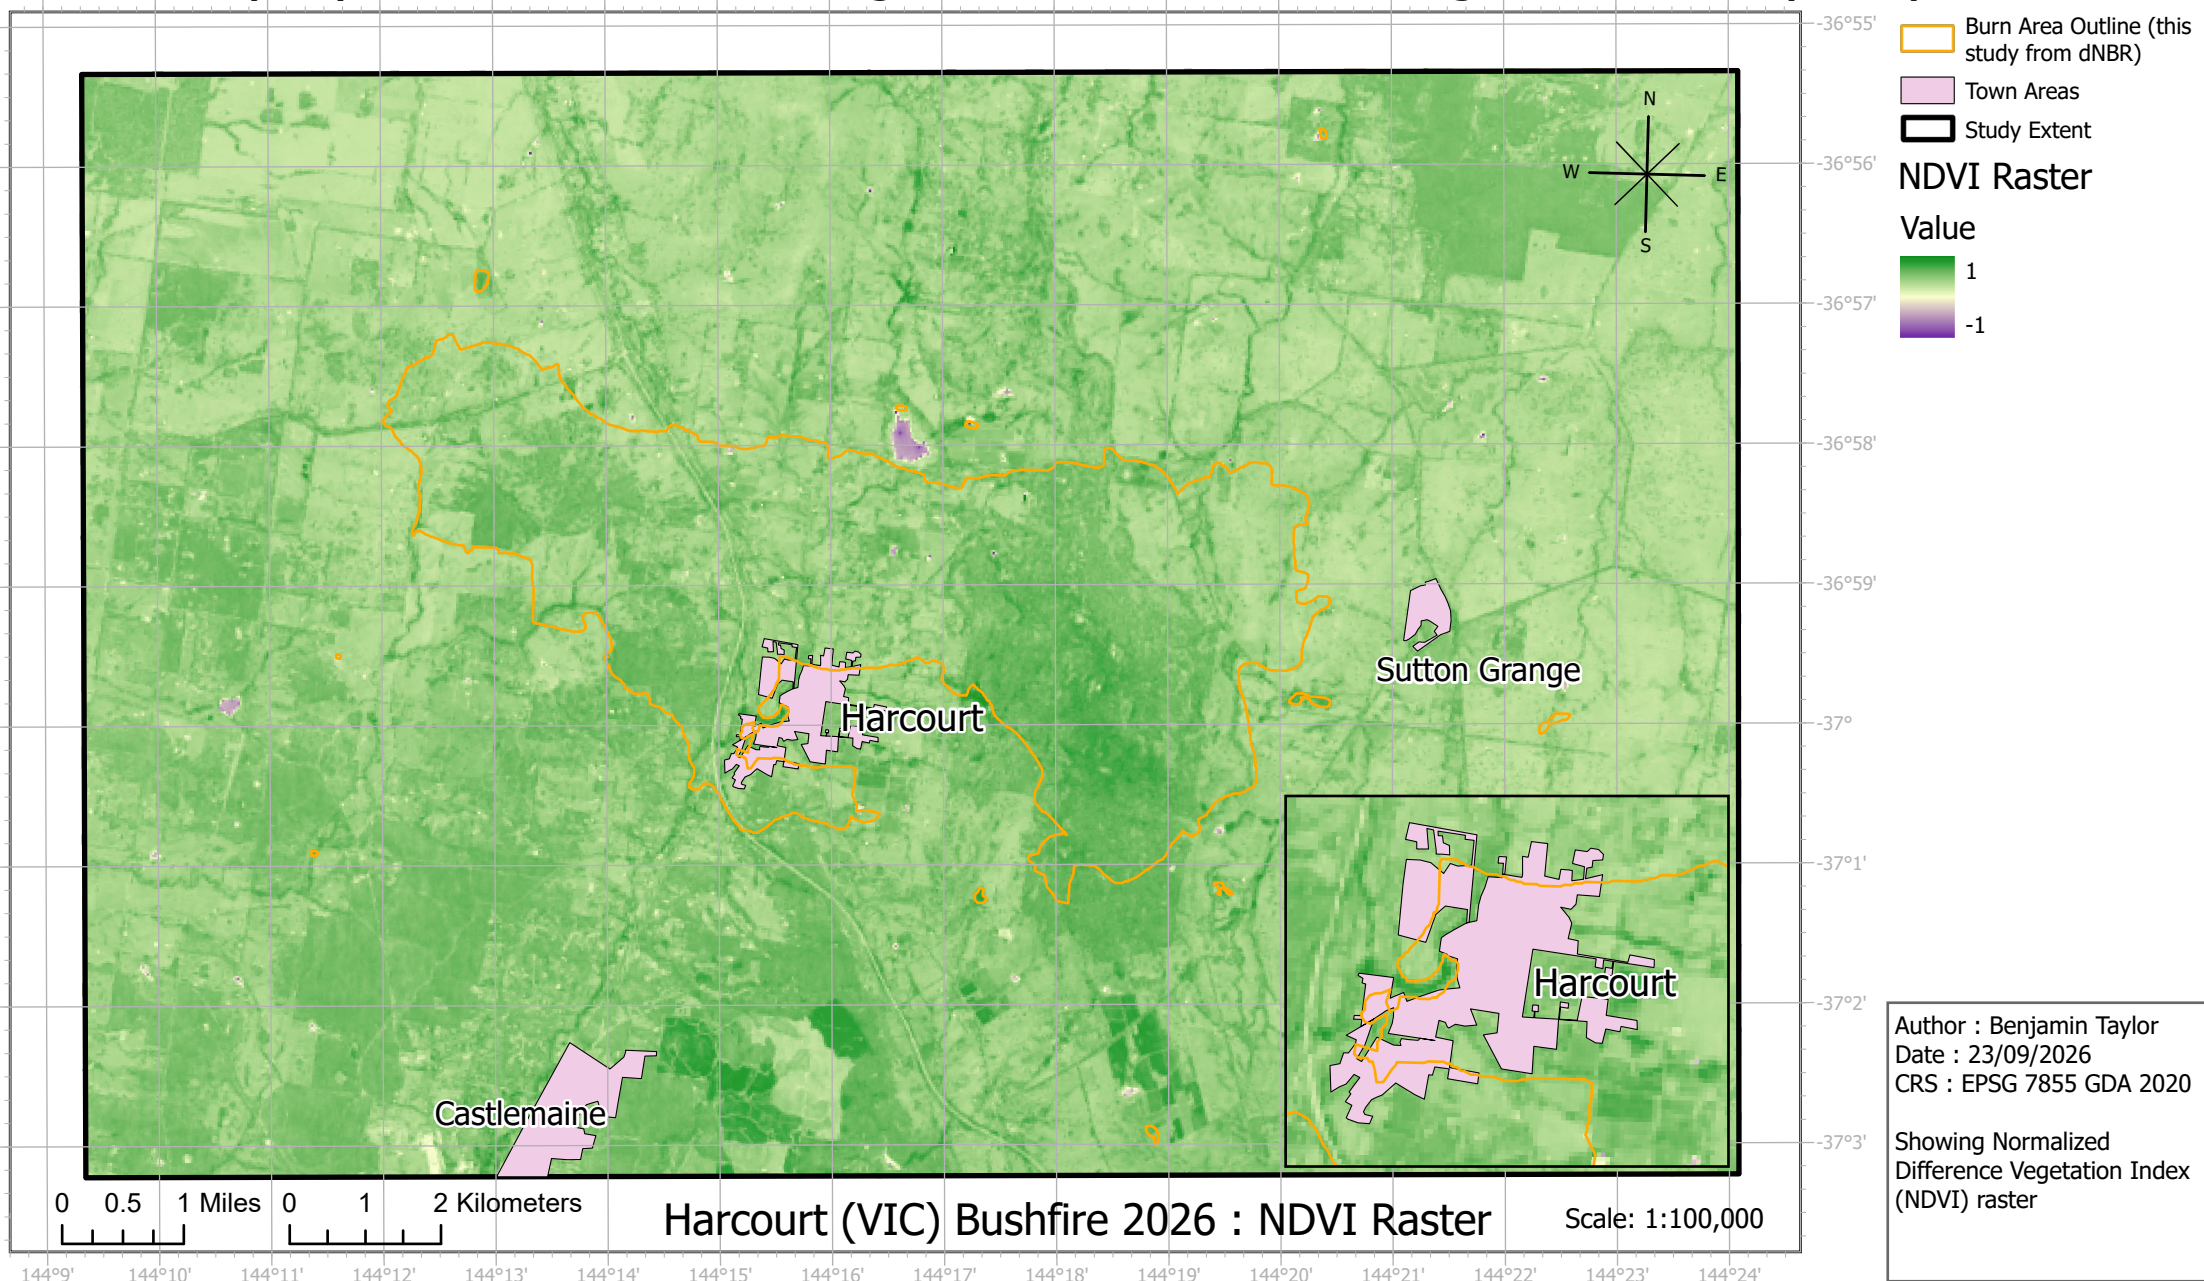

Burn Area Outline : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Water Pools : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Contours (DEM Raster): Copernicus Global 90m from OpenTopography DEM Downloader Plugin opentopography.org

Harcourt (VIC) Bushfire 2026 : Showing Normalized Difference Vegetation Index (NDVI)

Showing Normalized Difference Vegetation Index (NDVI) raster of the area prior to the 2026 bushfire surrounding the Victorian Town of Harcourt

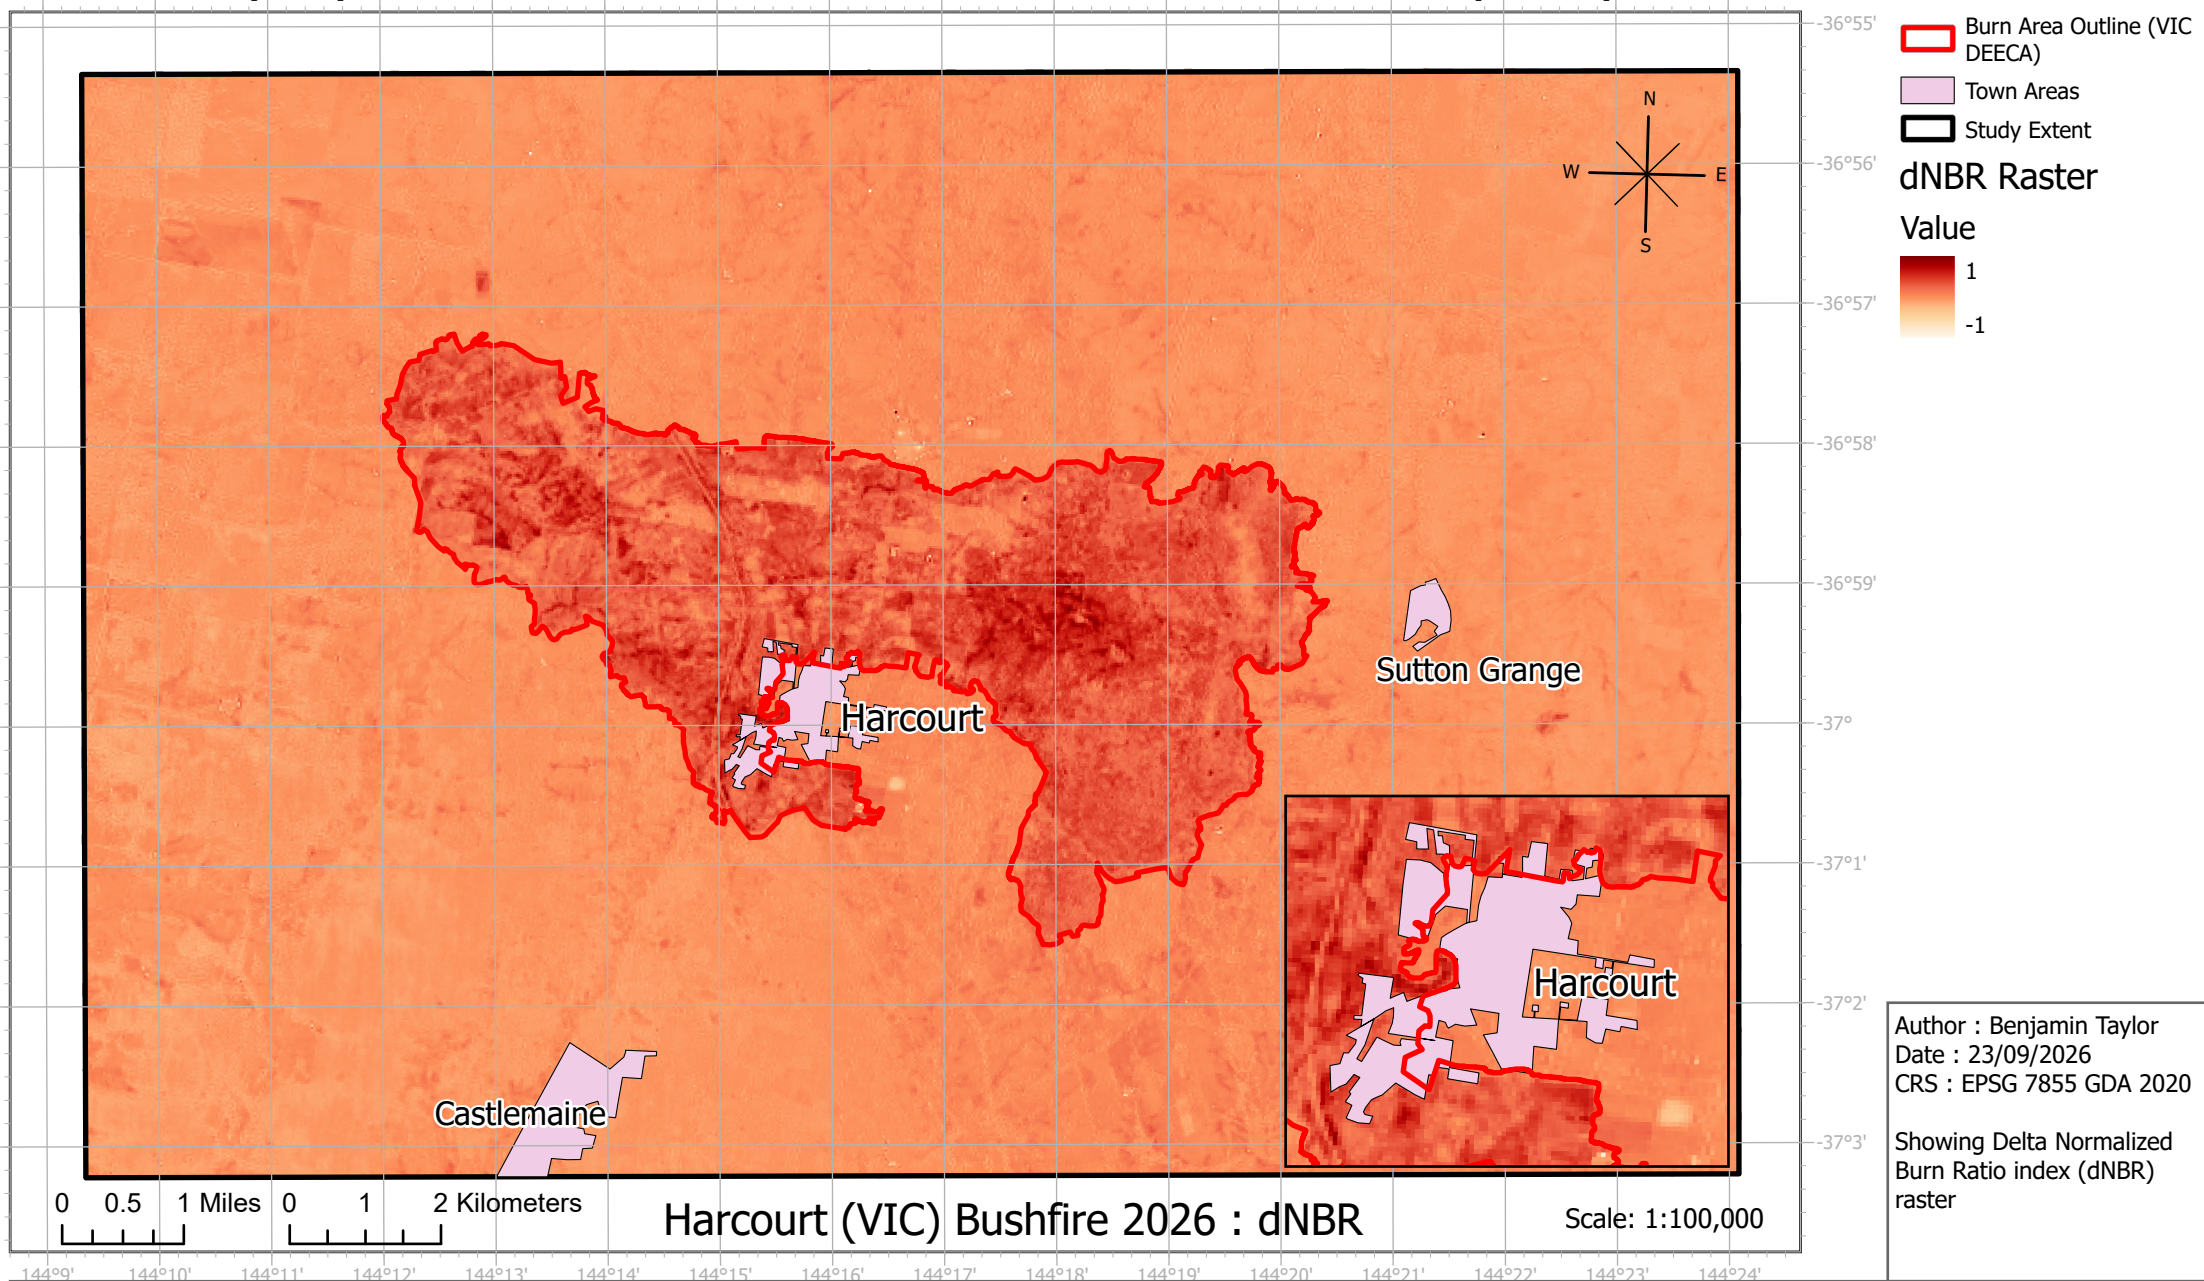

Data Sources:

NDVI Raster : generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Burn Area Outline : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

Harcourt (VIC) Bushfire 2026 : Delta Normalized Burn Ratio index (dNBR)

Showing Delta Normalized Burn Ratio index (dNBR) raster of the 2026 bushfire surrounding the Victorian Town of Harcourt

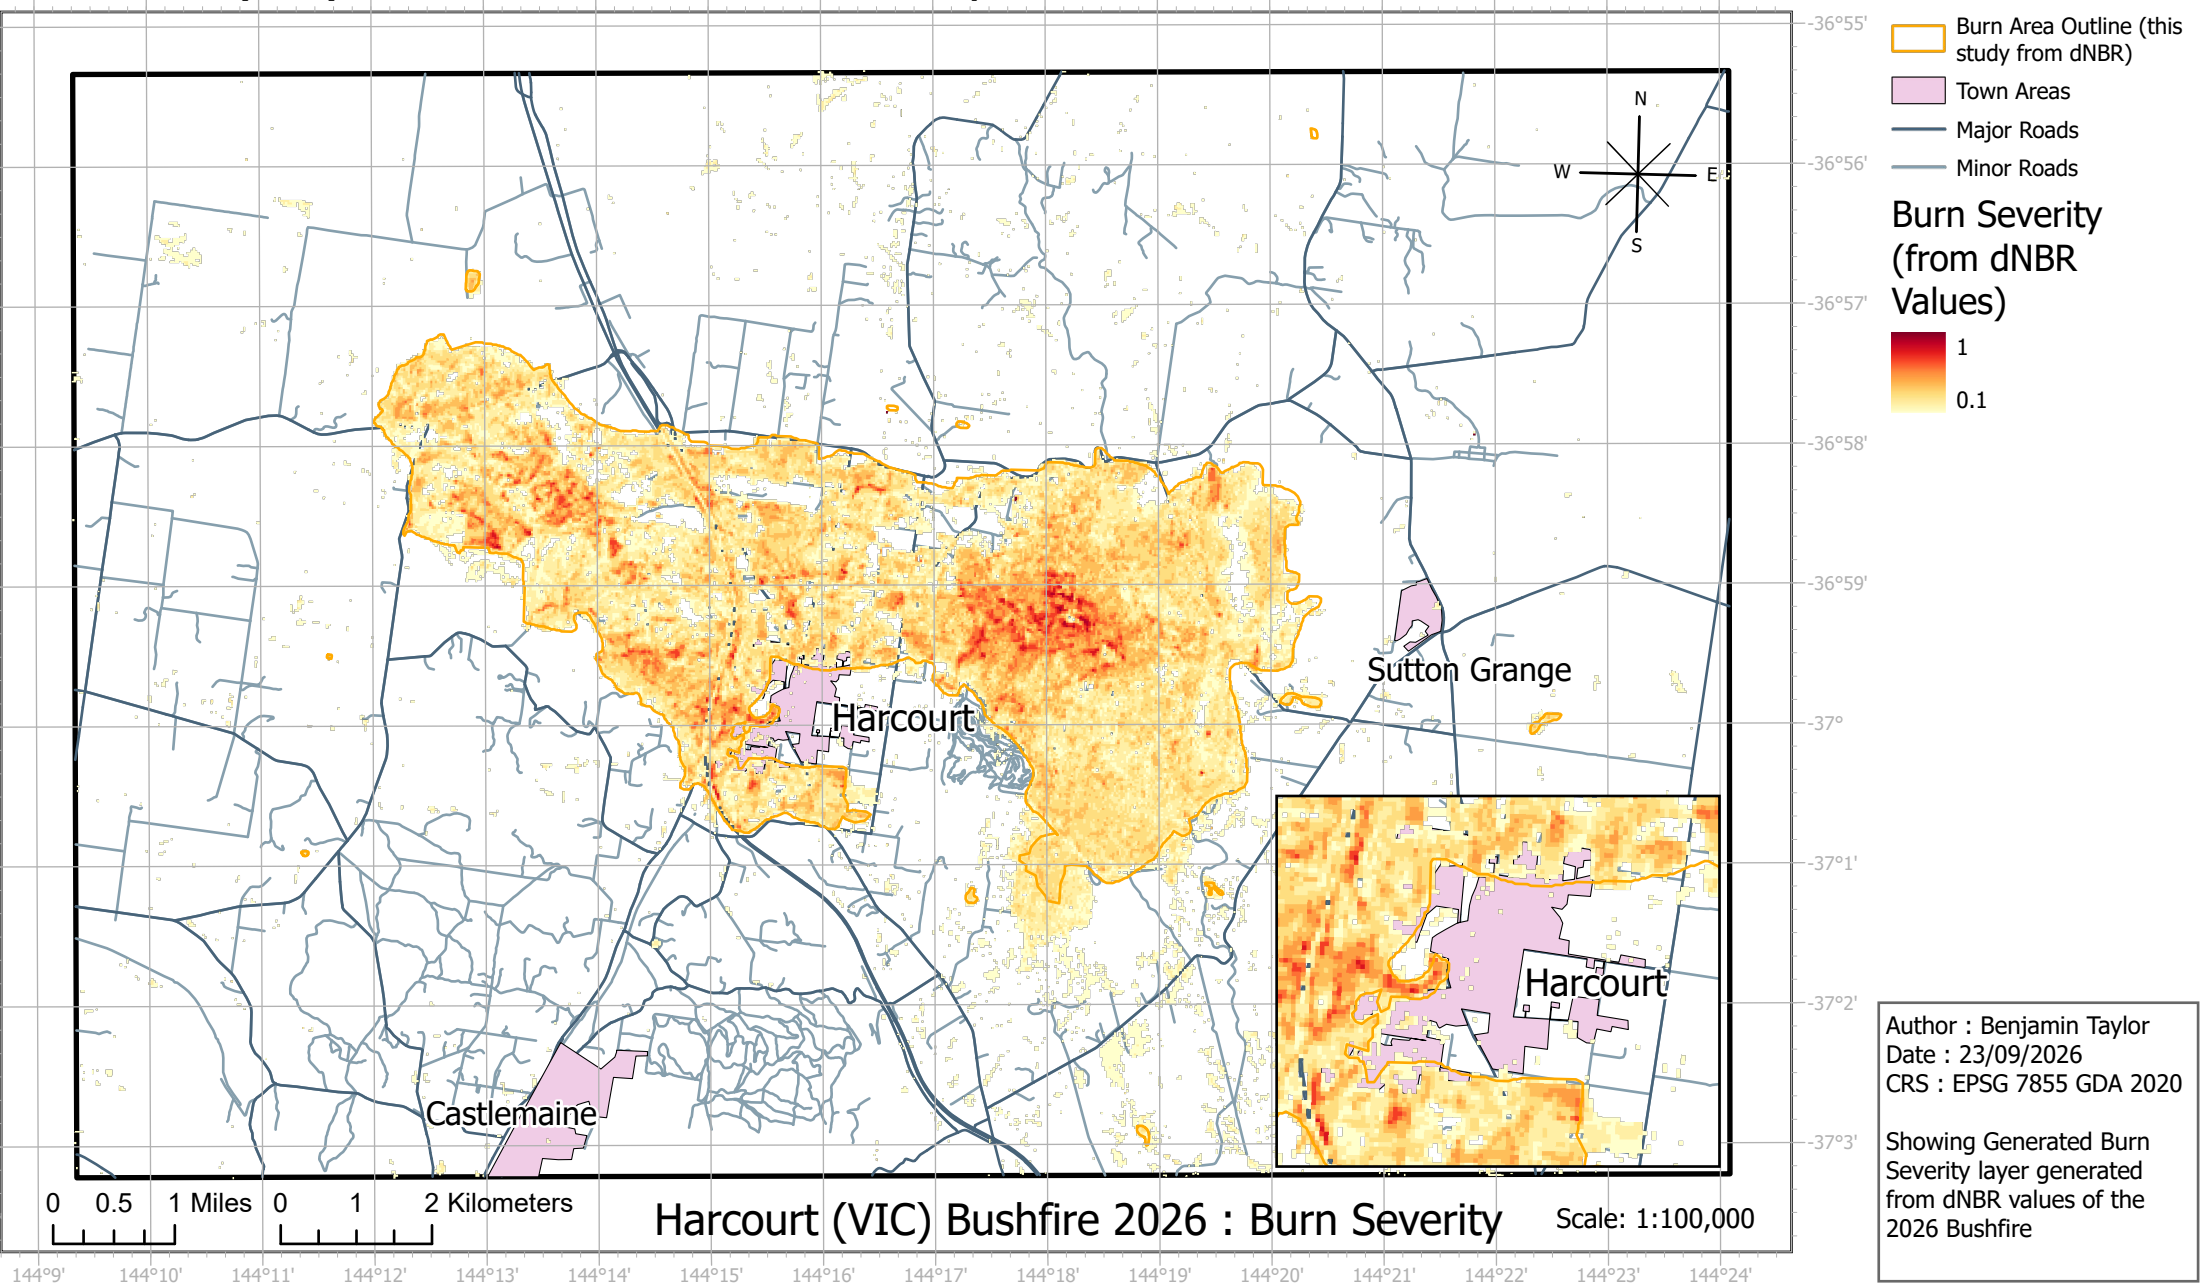

Data Sources

dNBR Raster : generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Burn Area Outline : Victorian Department of Energy, Environment and Climate Action - discover.data.vic.gov.au/dataset/fire-history-scar-records-of-fires-across-victoria-showing-the-fire-scars

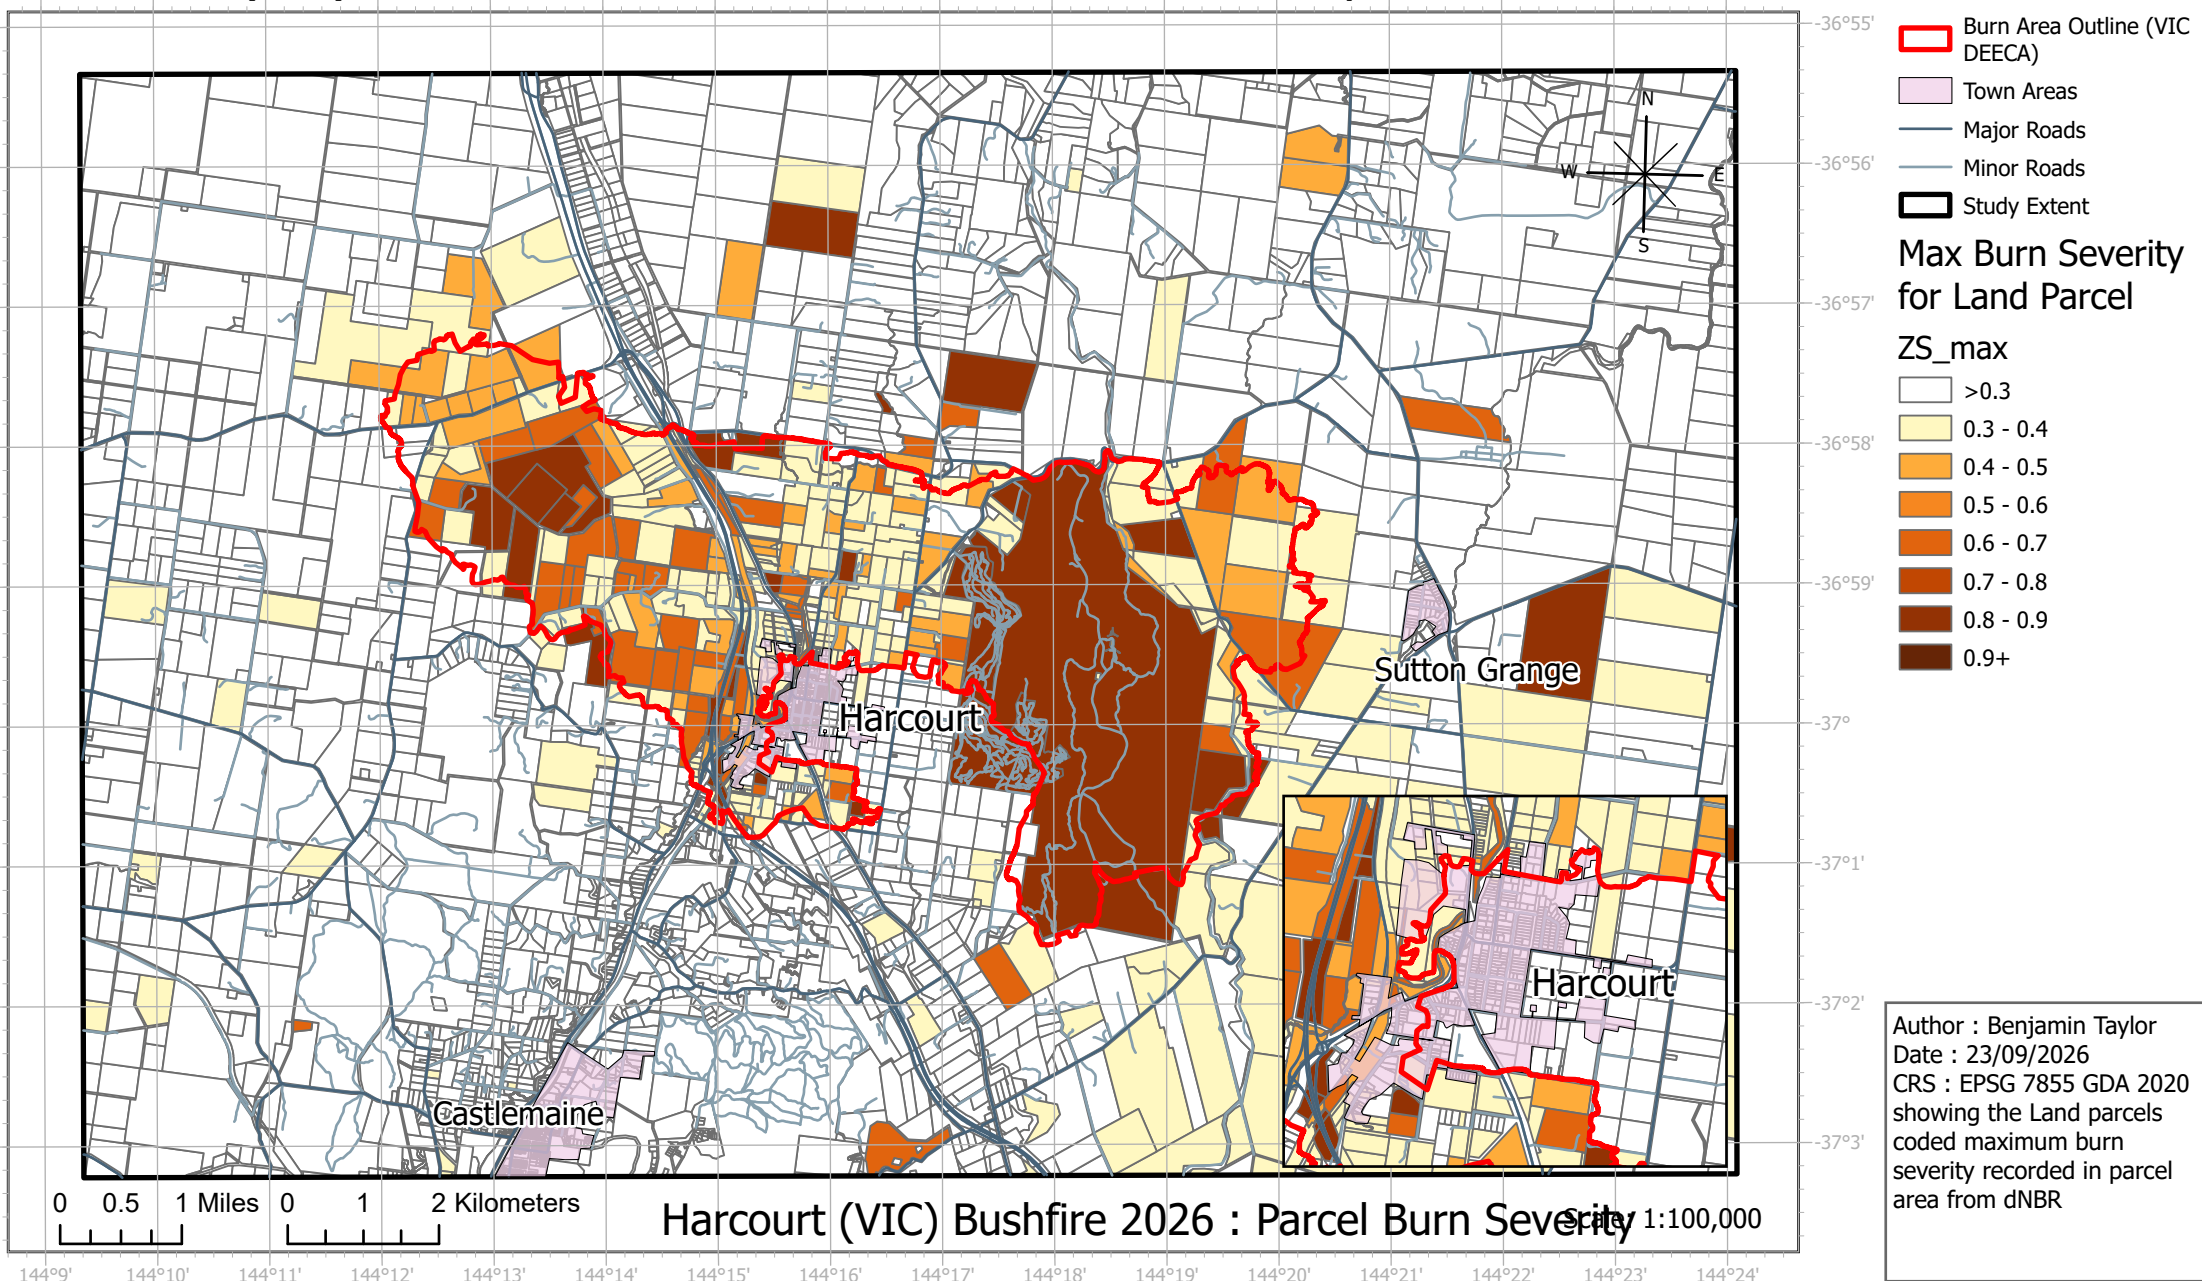

Harcourt (VIC) Bushfire 2026 : Burn Severity

Showing Generated Burn Severity layer generated from dNBR values of the 2026 Bushfire surrounding the town of Harcourt in Victoria Australia, Roadways and Town Outlines shown for Context.

Data Sources:
Burn Severity : Created from dNBR Raster using R, itself generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov
Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line
Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Harcourt (VIC) Bushfire 2026 : Land Parcel max Burn Severity

Showing the impact of the 2026 on the area surrounding the tow of Harcourt, showing the Land parcels coded maximum burn severity recorded in parcel area from dNBR

Data Sources

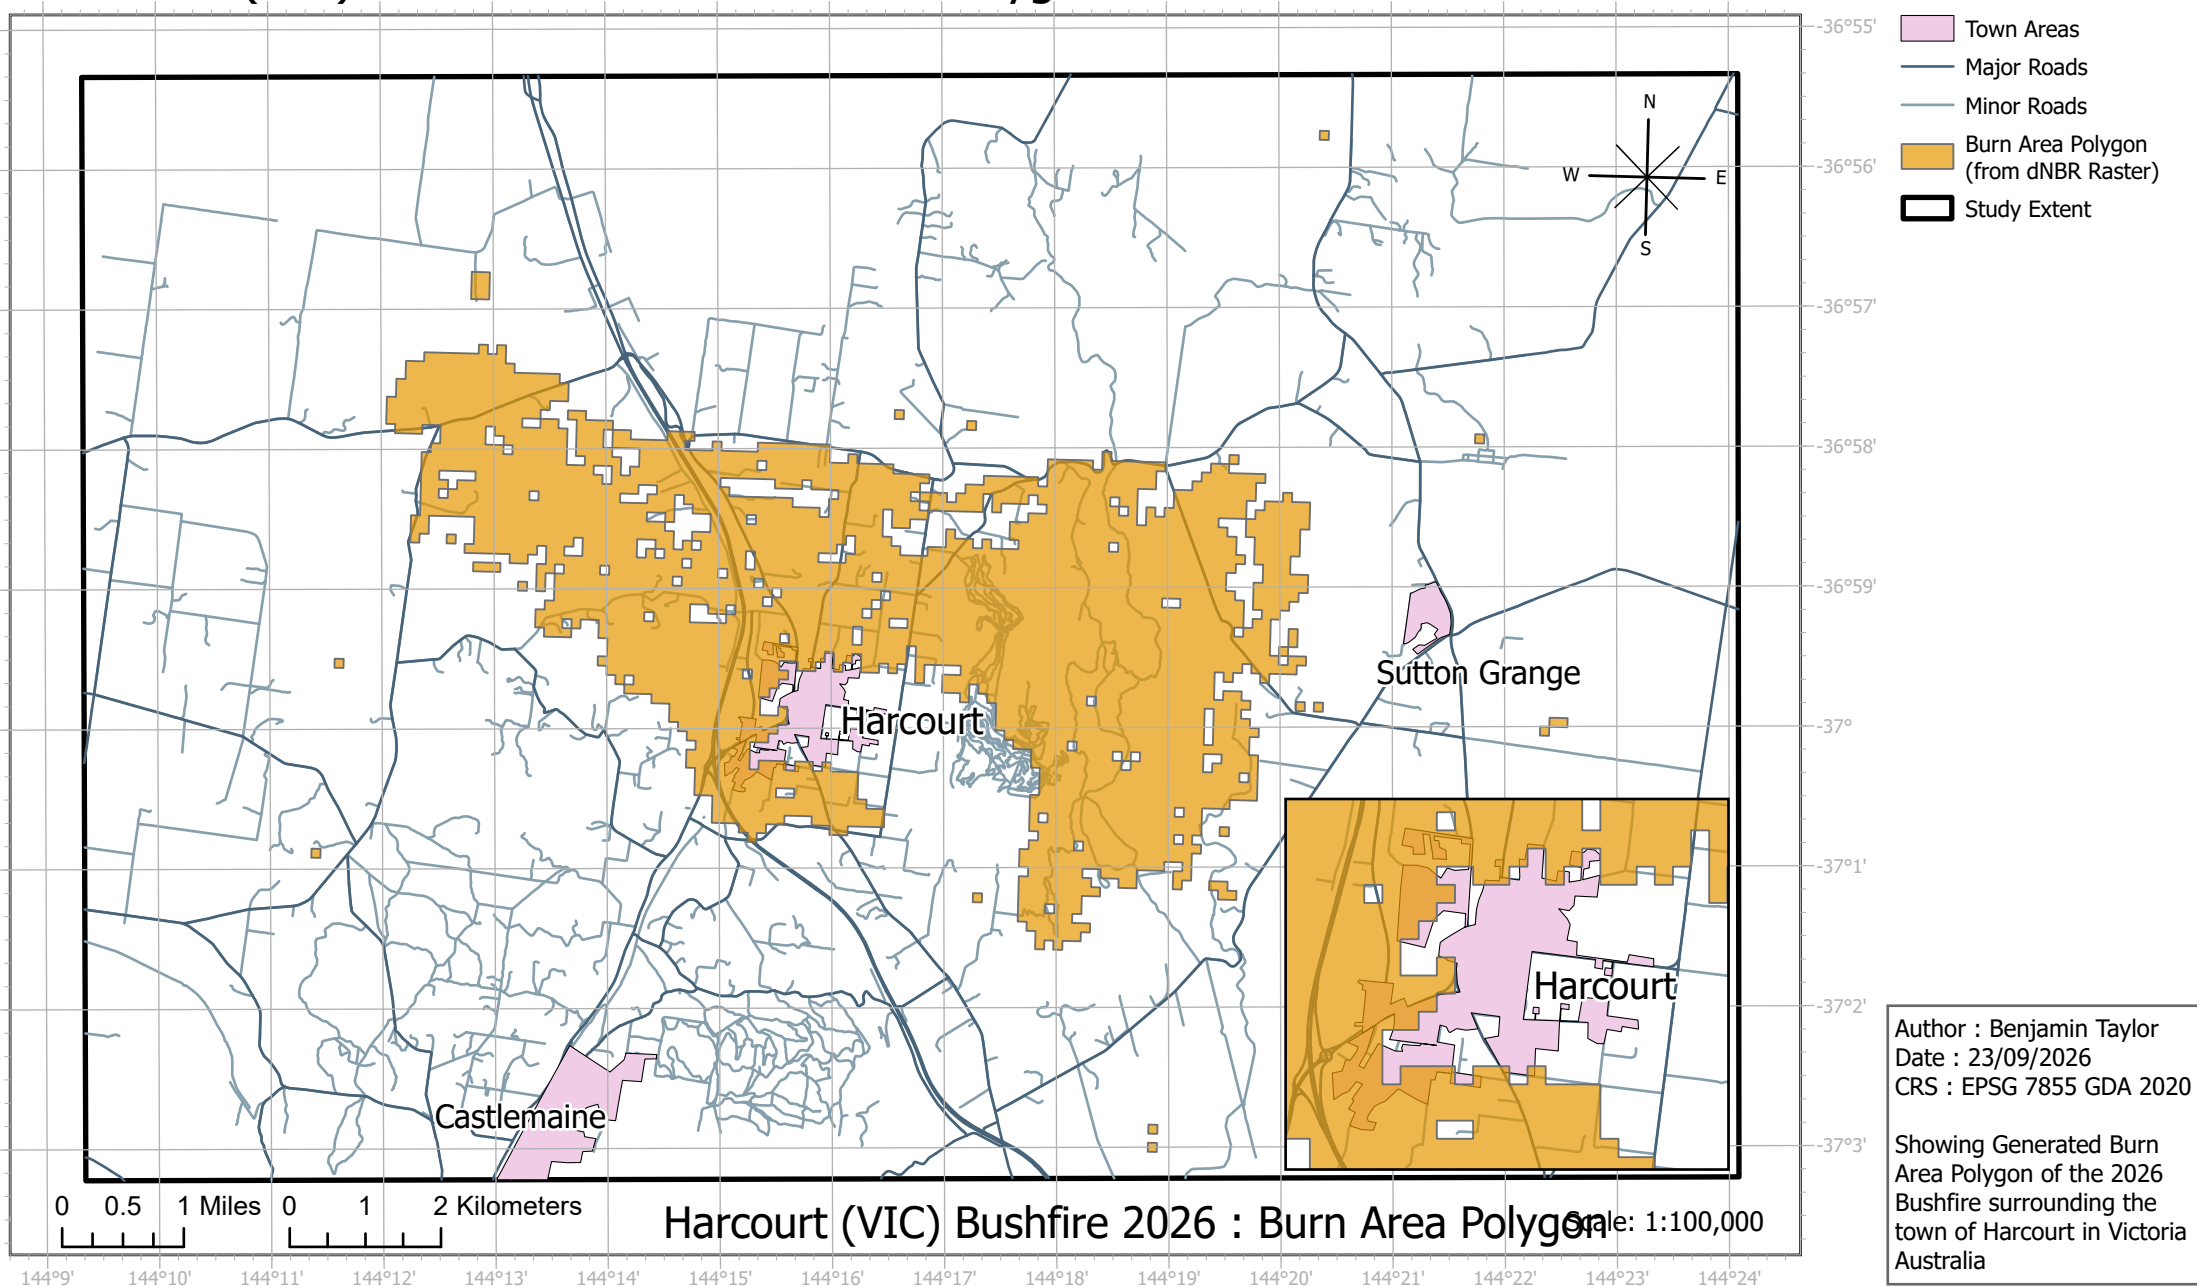

Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Land Parcels: Land Parcels Koordinates Victoria, Australia Parcels (Original data source VIC Gov Dept EECA) koordinates.com/layer/114176-victoria-australia-parcels

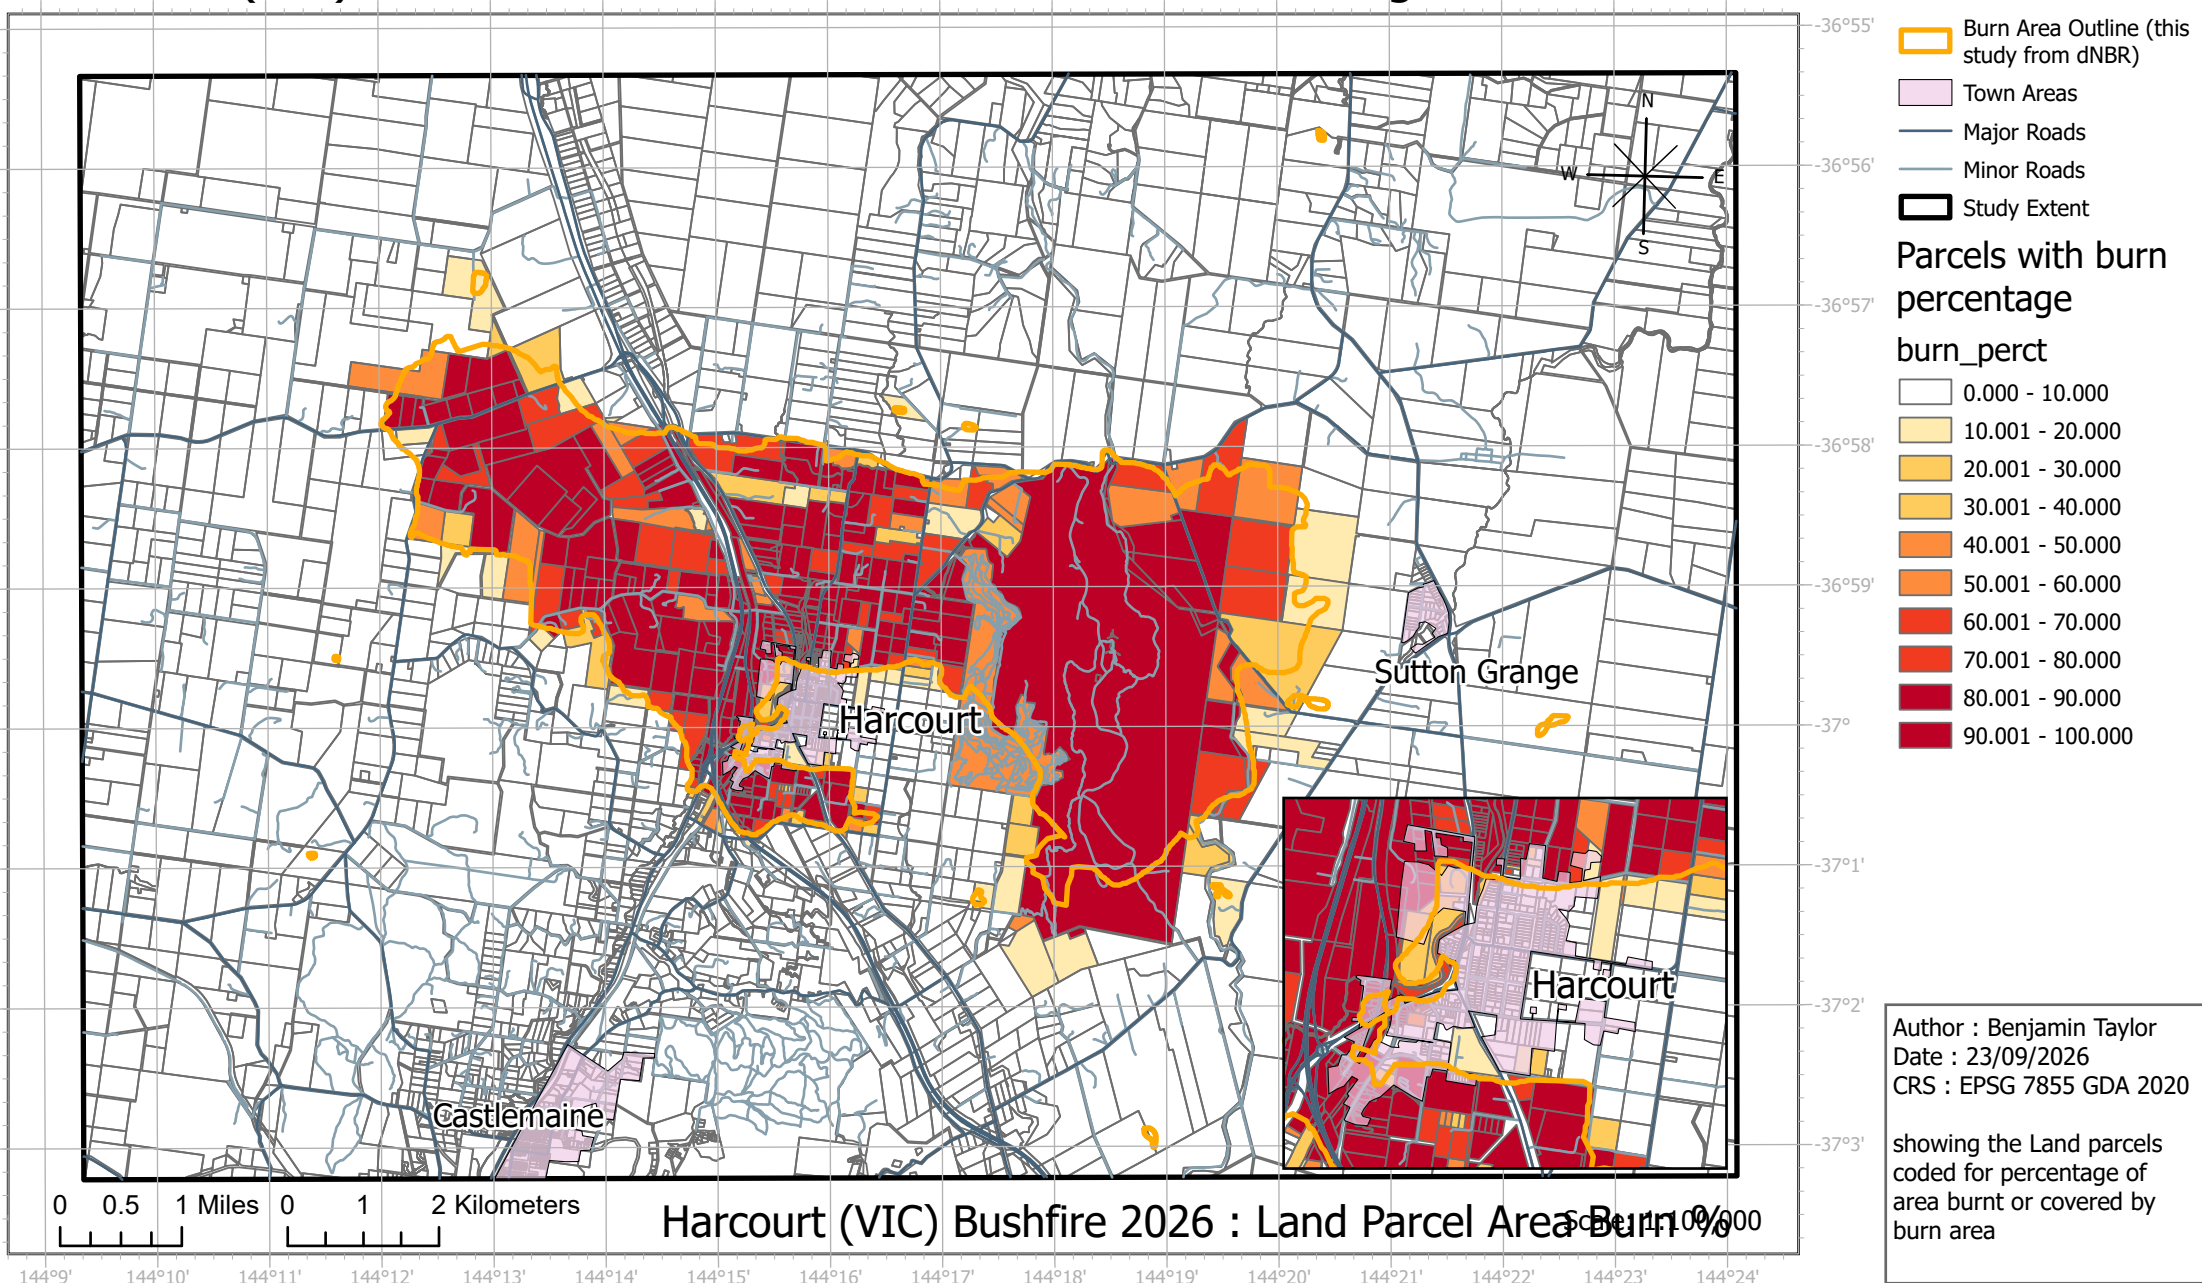

Burn Severity data : Obtained from dNBR Raster using QGIS Zonal Statistics, itself generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov

Harcourt (VIC) Bushfire 2026 : Burn Area Polygon

Data Sources:
Burn Area polygon : Digitized from dNBR Raster using R, itself generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov
Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line
Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Harcourt (VIC) Bushfire 2026 : Land Parcel Area Burn Percentage

Showing the impact of the 2026 on the area surrounding the tow of Harcourt, showing the Land parcels coded for percentage of area burnt or covered by burn area

Data Sources

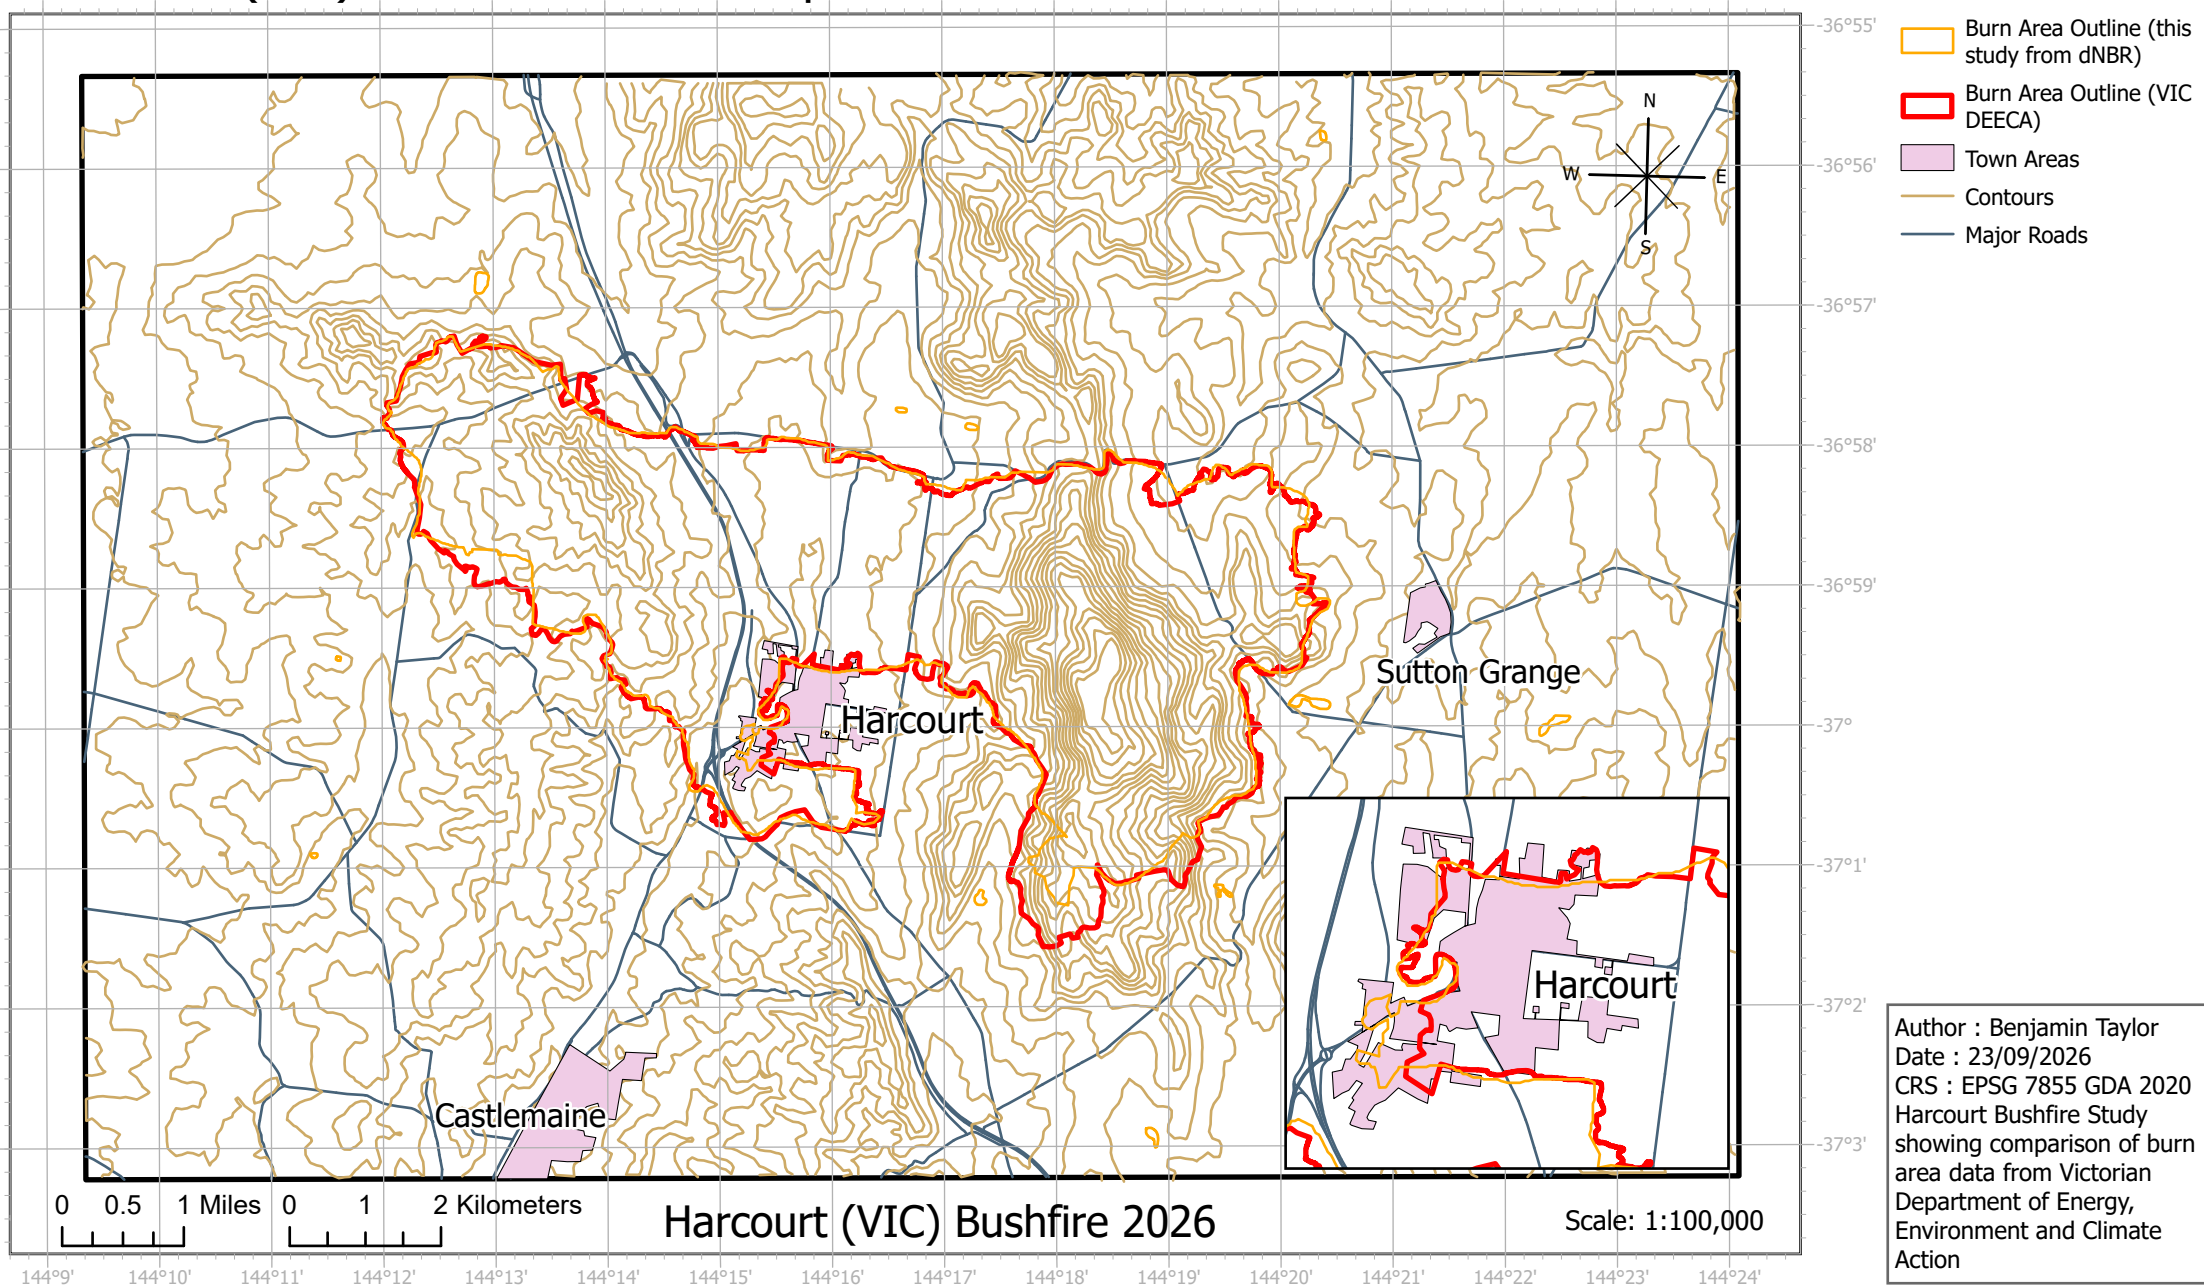

Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line

Town Areas : Digitized from satellite imaging using QGIS - Google Maps [Satellite imagery], Google, Alphabet inc

Land Parcels: Land Parcels Koordinates Victoria, Australia Parcels (Original data source VIC Gov Dept EECA) koordinates.com/layer/114176-victoria-australia-parcels

%Burn data : Obtained from dNBR Raster using R Polygonize & QGIS Intersection and Joins, itself generated from landsat8/9 imaging using R - Landsat Program, United States Geological Survey earthexplorer.usgs.gov

Harcourt (VIC) Bushfire 2026 : comparison of burn area estimates

Harcourt Bushfire Study showing comparison of burn area data from Victorian Department of Energy, Environment and Climate Action and from dNBR during this study, with topographic contours, town areas, and major roadways shown for context Contour data obtained from DEM Raster

Data Sources:

Contours (DEM Raster): Copernicus Global 90m from OpenTopography DEM Downloader Plugin opentopography.org

Roads: Victoria Department of Transport and Planning, Vicmap Transport, discover.data.vic.gov.au/dataset/vicmap-transport-road-line
